July 93

having the power to objectify and synthesise
Seeing the essentials and its relation with the phenomenological
discriminating between relative (half truth) and nuclear truth
Core, deep structures and their report to empirical facts (surface)
Arguing creatively not statistically or pragmatically only.
Faithfulness to experienced truth
The imagining of truth ! the art of speculative poetry.

LOVE, TRUTH, KNOWLEDGE
Love — Sincerity — Understanding
affection — honesty — Dedication

Beauty — Reality — Goodness

feeling — perception — offering

the flower of being !
