## EXHIBITIONS

Anya Gallaccio  
Installation and  
Serpentine 1996  
1997

Coming Next  
Serpentine: Inside Out Gallery Lawn

**Anya Gallaccio**

21 May - 22 June  
Open daily from 10am - 6pm

Anya Gallaccio describes the installation she will make for Serpentine: Inside Out as 'monumentally invisible'. Recent work by her, located outdoors as well as in galleries and also non-art spaces, has involved materials which are perceptibly disrupted through the passage of time. Massive blocks of ice, pillars of salt and banks of flowers, for example, constitute a contemporary vernacular, dramatically changing perceptions of their location and asserting a fact of life which counterbalances constructive energy and growth. Gallaccio thus emphasises a more philosophical context to her work beyond that of the Serpentine gallery lawn and adjacent building site.

You are invited to attend

**The Romanian Presidential Lecture**

**'Post-Totalitarian Pathology: Romania seven years after December 1989'**

to be given by

**Professor Andrei Plesu**  
Rector, New Europe College, Bucharest

at The Royal Institute of International Affairs  
Chatham House, 10 St James's Square, London SW1  
on Tuesday 4 March 1997 at 5.30pm

The lecture will be followed by a reception jointly hosted by the  
British Council and the Royal Institute of International Affairs.

The Romanian Presidential Lecture was established by the British Council in agreement  
with President Iliescu during his visit to Britain in November 1994.

Professor Plesu's lecture is the second in the series;  
the first was given in Bucharest by Lord Slynn of Hadley.

Please bring this card with you.

PAPER PALMPSESTS: THE WORKS EXHIBIT AN ABSTRACT PERSONAL MYTHOLOGY OF  
MEN AND WOMEN, HISTORY AND THE FUTURE; WEATHERED AND ERODED AS THE  
DESERT IN WHICH I LIVE.

ZECE UNGHIURI DREPE

ZECE ÎNGERI DREPTI

O instalație cu zece picturi mici în ulei și peste o sută de sculpturi din bronz, o secțiune directă în laboratorul meu de lucru acum în 1995. Tot ce mă interesează pe plan estetic și metafizic este aici exprimat prin substanță, formă, proporții și relații. Văzul, pipăitul, simțirea mai ales și multiple corelații posibile sunt incluse sau sugerate. Participarea vizitatorului, fizică dar mai ales psihică, inteligentă educată, vor trebui să contribuie dacă ne este dat, să ne împărtășim din micile bucurii oferite aici.

Cred că obiectele plastice din instalație sunt în primul rând specifice lumii flexibile, materiale din care fac parte și apoi modelarea și asocierea lor, virtuți simbolice dar proaspete, le așează atent în contexte de gândire... variațiuni cromatice, statice și înrelații pe geometrii decorative... fără ideologii, mai mult pe intuiții de echilibru și pe concret.
