6 March 1996

Dear Mr Neagu! I have been working on a project for some time now, after years of effort and considerable expense, on "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS," and you will be interested to know that it is now ready for publication.

"THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS," will be the first of its kind. Using highly sophisticated techniques, we have searched through over 170 million individual records to produce the most extensive worldwide registry of families. The "Burke's Peerage 1996 International Directory" is a featured section of the book.

The "Burke's Peerage 1996 International Directory" will find informative chapters on the origin and meanings of names, heraldry, and specific topics such as:

- The Neagu family and the fascinating story of their journey to the New World in the seventeenth century.
- The Neagu population in seventeen countries today.
- The medieval period, and the development of family names.
- The "Burke's Peerage 1996 International Directory" to assist you in tracing your family in foreign countries, or in locating lost family members.

Information is available only in "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS". Since it is very expensive to produce extra copies, this book will be only one printing.

"The Burke's Peerage" has been published by the same distinguished British publisher since 1826 and is proud to have a worldwide reputation throughout the world, including Royal families, and has traced the lineage of every royal head of state (including the British Royal Family).

100 copies of "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS" will be printed and strictly limited to 5 April 1996.

Yours sincerely,

 H.B. Brooks Baker
 Publishing Director

6 March 1995

Dear Mr. Neagu,

I have exciting news for you and fellow Neagus! I have been working on a project relating to your Neagu family name. Finally, after years of effort and considerable expense, we are ready to publish "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS," and you, Paul Neagu, are listed in it.

Since you appear in "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS," we thought you would like to know all about this new book. Using highly sophisticated computer resources in England, Scotland, Wales, Northern Ireland, Ireland, Australia, New Zealand, Germany, Austria, Switzerland, the Netherlands, France, Spain, Italy, South Africa, Canada and the United States, we have searched through over 170 million individual households. We have located and compiled the most extensive worldwide registry of families bearing the Neagu surname today. The Neagu 1995 International Directory is a featured section of the book and is as current as possible.

In addition to the International Neagu Directory, you will find informative chapters on European emigration to the new world, the origin and meanings of names, heraldry, and genealogy. You will also find covered specific topics such as:

1. Why early emigrants left their birthplace and the fascinating story of their journey to new lands.
2. Newly developed statistical information about the Neagu population in seventeen countries and where Neagus live in these countries today.
3. The role of heraldry during the medieval period, and the development of family crests with ancient symbols and what they mean.
4. How you can use the Neagu 1995 International Directory to assist you in tracing your family tree, in travelling to foreign countries, or in locating lost family members.

This remarkable collection of Neagu information is available only in "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS." Since it is very expensive to produce extra copies before our scheduled publishing date, there will be only one printing.

Burke's Peerage has been a distinguished British publisher since 1826 and is proud to present the Neagus with this important book. For over a century and a half, Burke's Peerage publications have fascinated people throughout the world, including Royal families, Aristocracy and Presidents (Burke's Peerage has traced the lineage of every royal head of state, plus the families of all American Presidents).

To reserve your own personal copy(ies) of "THE BURKE'S PEERAGE WORLD BOOK OF NEAGUS," you must order right away. The total number of copies printed will be strictly limited by the number of orders postmarked prior to 5 April 1995.

Reserve your copy today. Your full satisfaction is guaranteed. Please see your NEAGU APPROVAL ORDER FORM for details.

Yours sincerely,

H.B. Brooks-Baker
